

Paul Allardyce

**Stops, or How To Punctuate
By Paul Allardyce (1855-1895)**

Throughout the ages, languages continue to adapt and change. English, being a relatively new language, is a nice example of that. Though the English vocabulary is continually evolving, the system of punctuation has remained constant for the most part. This means that grammar books from 1895 are still applicable today. Therefore, if the following sentence looks correct to you, perhaps listening to Paul Allardyce's "Stops, or How to Punctuate" would be a good idea.

"This, is a Librivox recording, all Librivox recording's are in the "public domain"." (Summary by Shurtagal)

Read by many wonderful Librivox volunteers; total running time: 02:00:29.

Stops, or How To Punctuate

This recording is in the public domain and may be reproduced, distributed, or modified without permission. For more information or to volunteer, visit librivox.org. Original cover design by Janette Brown. This design is in the public domain.
